

STAY ACTIVE WITH IGNITE!

Dear parents,

We hope this email finds you and your families well. We are Ignite Sport and we work with your school to deliver PE and sport.

Over a very short period of time we have all had to drastically change our routines, and we all hope for things to be back to normal as soon as possible. We all respect that we must do our part to help the pandemic end and are staying home.

We think of those who are on the front line – our amazing NHS, those providing essential key worker services, some of your schools and teachers included – and all those who are working so hard to keep the cogs in motion, day and night. Many families are in week three of no school; learning from home and exploring new ways of making things work. Many parents are also working from home; tricky times for everyone but also a time that we must stick together and ride the wave.

Whatever your situation, we want to help keep families entertained and physical at home.

Being a people-led business, we have been working hard to move to virtual platforms and content to enable our services to function online. We hope our new online content is of use.

Take care and stay safe,

Ignite

LEARN FROM HOME

Children - enjoy our videos and downloads (for ages 2 to 18) from your favourite coaches and teachers.
