Sensory Smiles

Providing families in Oxfordshire & Northamptonshire the opportunity to rent affordable sensory equipment

Guideposts
Here for You

"An inspiring array of wonderful resources to enrich the lives of children"

(SENCO)

"Fantastic resources - I want them! Particularly love the fibre optics"

(Head teacher)

"I like the buttons as it changed the colour of lights as my favourite colour is blue"

(9 year old Service User)

"A brilliant selection of toys and equipment which was enjoyed by children of all ages"

(Teacher)

"The equipment is brilliant; the children loved it and really engaged with it. It certainly helps calm children with anxiety issues"

(Youth Support Worker)

★ ★ What is Sensory Smiles?

Sensory Smiles is a project which aims to help children and young adults suffering with stress and anxiety.

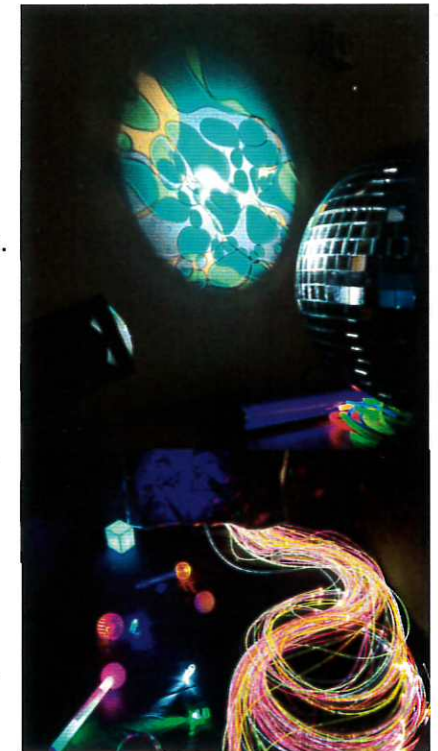

Most schools provide access to sensory equipment during the school day. However it is costly to commit to buying such equipment for your own home.

This is where Sensory Smiles can help you...

Through Sensory Smiles, Guideposts can offer you exclusive access to an extensive catalogue of high quality sensory equipment to have on loan and try in the comfort and familiarity of your own home. What's more each time you hire equipment out our expert team will guide you towards a personalised package that is best suited to your child's evolving needs.

How does it work? ★ ★

Yearly membership starts at just £5 and members also receive 10% off their first order! Please get in touch for a copy of our price list.

Available equipment:

- Bubble tubes
- Dark den (with flashing sensory toys for use inside)
- Fibre-optic carpet
- Musical instruments
- Interactive colour changing cubes with a Wi-Fi remote
- Giant beanbags...and much more!

The Sensory Suitcase

This really is the complete sensory package! Our unique suitcases contain fibre optics, glitter balls, spotlights, aromatherapy diffusers and UV torches. It offers a great way to explore a range of equipment in one
