If you were to recommend Freeland Primary School to another family what aspects of the school would you praise?

Freeland Primary School would be even better if....

On occasion we need support to help us with trips, listening to readers, or telling children about your job or interests. Are there any skills you would like to share with us?

Is there anything else we could do to engage parents with the school?

If you wish, please add any further comments that you feel would be helpful.
