

## Assembly for home use - Respect for wildlife.

The world is an amazing place and there are organisations committed to helping us to respect all wildlife that exists. You may have noticed that you can hear more birds sing recently as there is less traffic around. Have you noticed that the sky is bluer? Not so many airplanes flying around.

The WWF works hard to protect the environment, teach people to respect nature in the UK and to conserve global wildlife.

### Reflect:

Listen to this song: <https://www.youtube.com/watch?v=c6e3ITsjLRI>

- What do you think are the necessities of life?
- How can you help people to respect all living creatures?
- What can we do to help to protect wildlife near us?

**Perhaps you might like to create your own bug hotel-**

### Pray:

Jesus, Lord of the Earth By you all things were created:

All creeping things, all flying things,  
All living things, all dying things,  
The highest hills, the deepest seas,  
The strongest gale, the slightest breeze,  
The blossom on a cherry tree,  
A spinning spider's artistry,  
The smell of dry earth after rain,  
Each cell within a human brain,  
Each fallen leaf, each towering pine,  
Reveals your intricate design.  
Creator Lord, we stand amazed,  
And for your earth, we give you praise.

You might like to go on a minibeast hunt outside. If so, follow this link:
