

Pupil Premium Grant (PPG) Data Collection & Planning of Spending

We aspire to be a happy community in which we flourish spiritually, socially and academically
2015-2016

The pupil premium (introduced in 2011) gives schools extra funding to raise the attainment of disadvantaged pupils from reception to year 6 and close the gap between them and their peers.

In the 2015-16 financial year, schools received **£1,300** for each primary-aged child registered as eligible for free school meals or at any point in the last 6 years, **£300** for each pupil whose parents(s) are currently serving in the armed force and **£1,900** for each pupil who is looked after or in care.
