

Freeland CE Primary School Home-School Agreement

A school living out the values of Honesty, Forgiveness, Compassion and Love.

*From small beginnings, come great things.
'Know your roots, Branch out, Fly High'*

We are a community where every member, from the tiniest seed to the fullest tree, is nurtured and cared for.

Everyone can flourish and be ready to fly the nest and soar high.

We come together to grow, learn, love and be loved.

Our 'home-school agreement' reflects the importance of ensuring school, parents/carers and pupils all have an equal commitment in ensuring that school life is as effective as it can be.

At Freeland CE Primary School we want the children to flourish and we know that through working together each child will make the best progress possible, socially, emotionally, spiritually and academically.
