

Overview of trips and experiences: 2025-2026 – These opportunities are delivered through a combination of planned curriculum

experiences, enrichment activities, pupil leadership opportunities and engagement with the local and wider community.

Personal Development and Citizenship Intent

Our trips, experiences and enrichment opportunities are designed to develop pupils' personal development and citizenship by enabling them to:

- Understand their role in society and their community
- Develop resilience, independence and confidence
- Experience diversity and the wider world
- Participate in democratic and community life
- Build respect for others and different viewpoints

Citizenship Threads Across the School

- **Community & Belonging** → Harvest, Easter Service, Community Week
- **Active Citizenship** → Litter picking, supporting church, visits to care homes
- **Democracy & Voice** → pupil leadership, school council elections, pupil voice influencing school decisions
- **Respect & Diversity** → Global events (Black History Month, Refugee Week, Pride)
- **Environmental Responsibility** → Woodland walks, Earth Day

Progression of citizenship across the school:

EYFS/KS1

- Belonging, rules, simple community roles

Lower KS2

- Understanding wider community, teamwork, responsibility

Upper KS2

Overview of trips and experiences: 2025-2026 – These opportunities are delivered through a combination of planned curriculum experiences, enrichment activities, pupil leadership opportunities and engagement with the local and wider community.

Personal Development and Citizenship Intent

Our trips, experiences and enrichment opportunities are designed to develop pupils' personal development and citizenship by enabling them to:
